IRAN DIVESTMENT ACT

Effective July 1, 2016, Tennessee state law now requires that bids must be accompanied by a certification attesting that, to the best of the bidder's knowledge, the bidder does not engage in investment activities in Iran. The Iran Divestment Act of 2014 Certification of Noninclusion requires that every bid or proposal made to a political subdivision of the state shall contain the following statement affirmed by the bidder as true under the penalties of perjury:

“By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to §12-12-106.”

Most owners prefer a separate form to be included in the bid package, but some choose to include the statement on the Bid Form or in the Instructions to Bidders.
